

Drought-Tolerant Annuals and Perennials

<http://garden.dannylipford.com>

Annuals

<i>Ageratum houtonianum</i>	Ageratum
<i>Antirrhinum majus</i>	Snapdragon
<i>Begonia semperflorens</i>	Wax Begonia
<i>Brassica oleracea</i>	Ornamental Kale
<i>Calendula officinalis</i>	Calendula
<i>Capsicum sp.</i>	Ornamental Peppers
<i>Catharanthus roseus</i>	Madagascar Periwinkle
<i>Celosia cristata</i>	Cockscomb
<i>Cleome</i>	Cleome, Spider Plant
<i>Cosmos sp.</i>	Cosmos
<i>Gazania rigens</i>	Gazania
<i>Gomphrena globosa</i>	Globe Amaranth
<i>Gypsophila elegans</i>	Baby's Breath
<i>Helianthus sp.</i>	Sunflowers
<i>Helichrysum bracteatum</i>	Strawflower
<i>Lantana sp.</i>	Lantana
<i>Limonium sp.</i>	Statice
<i>Melampodium paludosum</i>	Melampodium
<i>Nicotiana glauca</i>	Flowering Tobacco
<i>Pelargonium x hortatum</i>	Geranium
<i>Petunia x hybrida</i>	Petunia
<i>Portulaca grandiflora</i>	Portulaca
<i>Sanvitalia procumbens</i>	Creeping Zinnia
<i>Senecio cineraria</i>	Dusty Miller
<i>Tagetes sp.</i>	Marigold
<i>Tithonia rotundifolia</i>	Mexican Sunflower
<i>Tropaeolum majus</i>	Nasturtium
<i>Viola x wittrockiana</i>	Pansy
<i>Zinnia sp.</i>	Zinnia

Perennials

<i>Achillea sp.</i>	Yarrow
<i>Amsonia jonesii</i>	Amsonia
<i>Anacyclus depressus</i>	Anacyclus
<i>Armeria maritima</i>	Thrift
<i>Artemisia sp.</i>	Artemisia
<i>Asclepias tuberosa</i>	Butterfly Weed
<i>Aster sp.</i>	Asters
<i>Baptisia australis</i>	False Indigo
<i>Centaurea sp.</i>	Bachelor's Button

(Perennials continued)

<i>Cerastium tomentosum</i>	Snow-in-Summer
<i>Coreopsis sp.</i>	Coreopsis
<i>Delosperma sp.</i>	Ice Plant
<i>Dianthus sp.</i>	Dianthus, Pinks
<i>Echinacea sp.</i>	Coneflower
<i>Echinops sp.</i>	Thistles
<i>Euphorbia sp.</i>	Spurge
<i>Gaillardia sp.</i>	Gaillardia, Blanket Flower
<i>Helianthemum</i>	Helianthemum
<i>Helleborus sp.</i>	Lenten Rose
<i>Hemerocallis sp.</i>	Daylily
<i>Hosta sp.</i>	Hosta
<i>Iberis sempervirens</i>	Candytuft
<i>Kniphofia hirsuta</i>	Red Hot Poker
<i>Liatris sp.</i>	Liatris, Gayfeather
<i>Liriope sp.</i>	Monkey Grass
<i>Mallow</i>	Malva alcea
<i>Monarda sp.</i>	Bee Balm
<i>Nepeta sp.</i>	Catmint
<i>Oenothera sp.</i>	Sundrop, Primrose
<i>Papaver sp.</i>	Poppy
<i>Penstemon sp.</i>	Penstemon
<i>Perovskia atriplicifolia</i>	Russian Sage
<i>Phlox sp.</i>	Phlox
<i>Rudbeckia sp.</i>	Black-Eyed Susan
<i>Salvia sp.</i>	Salvia, Sage
<i>Sedum sp.</i>	Sedum, Stonecrop
<i>Sempervivum tectorum</i>	Hens & Chicks
<i>Solidago sp.</i>	Goldenrod
<i>Stachys sp.</i>	Lamb's Ears
<i>Thymus sp.</i>	Thyme
<i>Phlox sp.</i>	Phlox
<i>Rudbeckia sp.</i>	Black-Eyed Susan
<i>Verbena sp.</i>	Verbena
<i>Veronica sp.</i>	Veronica
<i>Vinca sp.</i>	Vinca
<i>Yucca sp.</i>	Yucca

In addition to this list, check out plants that are native to your area – they will be naturally well-suited to your climate.
